

# SUMES I RESTES

## — Descomposició

1. Fes els canvis necessaris i resta:

The image illustrates the subtraction  $447 - 238$  using base ten blocks and a decomposition diagram.

**Base Ten Blocks:**

- Top row: 4 tens rods and 7 units cubes, representing 447.
- Second row: 2 tens rods and 3 units cubes, representing 238.
- A horizontal line separates the minuend from the subtrahend.
- Third row: 2 tens rods, 0 units cubes, and 9 units cubes, representing 209. This row is highlighted with a green border.
- Bottom row: 2 tens rods and 0 units cubes, representing 209.

**Decomposition Diagram:**

To the right of the blocks, a diagram shows the decomposition of one ten rod into ten units cubes. A pink arrow points from a ten rod to a row of ten units cubes. The word "XIN" is written in pink over the cubes, indicating the exchange. Below the cubes, a row of ten 'x' marks represents the units.
