## — Descomposició

$$\begin{array}{r} 545 \\ + 240 \\ \hline \end{array}$$

Diagram illustrating the decomposition of the addition  $545 + 240$  using base ten blocks. The top number, 545, is represented by five blocks of 100 (each with four vertical lines) and five blocks of 10 (each with one vertical line). The bottom number, 240, is represented by two blocks of 100 (each with one vertical line) and four blocks of 10 (each with one vertical line). The result is shown in a large green box with dashed lines for the hundreds and tens places, and a blue box with a dashed line for the ones place.
